

Every Veteran Has a Story. What's **Yours?**®

Volume 2, Issue 2

June 2011

If you like Living History, the Veterans Breakfast Club is for you.

The Veterans Breakfast Club is a non-profit dedicated to sharing veterans' stories.

There are no membership dues or requirements, and you don't have to be a veteran to attend.

We host storytelling breakfasts and trips. If you haven't attended, give us a try!

If you have questions or would like more information, please call Todd DePastino or Dan Cavanaugh at **412-623-9029**.

Our Mission

The mission of the Veterans Breakfast Club is to create communities of listening around veterans and their stories. We accomplish this through regular breakfasts and other events, such as outreach sessions and bus trips to historic sites, designed to promote reflection, fellowship, and storytelling. Our current initiative focuses on veterans of World War II and Korea, but our mission is to reach veterans of every generation.

We believe that telling and listening to stories can nourish us and help build a more compassionate nation. Veterans' stories--whether they be entertaining, instructive, commemorative, or healing--remind us that history is built one story at a time.
